Sir,

SUBJECT Letter dated 3-12-47 addressed to the Minister for Finance and Industries by the President, Mysore State Journalists' Association praying for a grant of a site free of cost for the construction of a Building for the Association.

With reference to your Memo No.L 11793 dated the 16th instant forwarding for report a copy of the representation on the above subject received from the President, the Mysore State Journalists' Association, I have the honour to state that it is seen from the letter addressed to the Minister by the Association, that they want a fairly extensive area for a Club, library & Reading Room The Association wants to establish a regular School of journalism and Co-operative Stores They want a place centrally located The extensions that the Trust Board is forming where any extensive area can be given is the proposed Kankanpalya Extension, which is very far away.

2948/L

There is a proposal to open up the area on the east of the Sri Jayachamarajendra Road opposite to the - Shivaji Talkies which if ultimately put through will be more central But the cost of the land will be enormous

Another proposal before Government is the shifting of the present Central Jail to near the Mental Hospital,

P T O

where land has already been acquired Should this area - of the present Jail become available, a place there, could possibly be thought of, since it fits in with the idea of the location of a School of Journalism. Since their full requirements, i.e , the extent, place, area and the amount proposed to be spent by them, are not yet defined, a further report will be made after their reply is received to the - letter addressed to them by the Revenue Secretary and a copy of the reply sent to me

I have the honour to be,
Sir,
Your most obedient servant,

CHAIRMAN,
